ZAREK VERDEJAR - CERTAIN19

The image features a repeating pattern of vertical stripes. There are four stripes of a dark reddish-brown color, each containing two parallel rows of small, light pink dots. These are separated by wider stripes of a light beige or cream color. On the beige stripes, there are two square-shaped elements, one near the top and one near the bottom. Each square is a light pink color with a darker pink circular dot in the center. The overall style is modern and minimalist.
