sobre nós

O ano é de 2012, nasce a STICKDECOR no sul de Minas Gerais, uma empresa que leva em seus pontos fortes a boa relação com seus clientes, a possibilidade e compromisso por transformar ideias em verdadeiras obras de arte; uma vasta experiência no mercado de tecnologia de impressão digital.

Nosso reconhecimento no mercado foi conquistado em poucos anos, em 2016 abrimos nossa unidade em São Paulo, afim de expandir e levar o melhor da decoração de forma mais rápida e mais abrangente.

Temos orgulho de todas nossas conquistas em todos esses anos, desde participações em grandes mostras de decorações como CasaCOR e Morar Mais a participações em quadros de televisão para os canais Globo, Record, Band, SBT e Rede Brasil. Nosso trabalho também já nos levou ao maior evento de música do mundo, o Rock in Rio por 4 anos consecutivos.

Além de toda nossa trajetória, atuamos em diversos segmentos no Brasil e Exterior; dentro de cenografia tivemos a honra de embelezar comercias da Johnson e Johnson, Claro, Volkswagen, Mercado Livre entre outros; já na cenografia para fotografias, participamos de revistas importantes como Vogue, L'Officiel e Bazaar; e por falar em revistas, já fomos destaques em inúmeras materiais de decoração como Revista Casa Vogue, Casa & Jardim, Uol Universa, Revista Construir entre outras.

Fizemos uma coleção com a Tok&Stok com lançamento de papéis de parede para transformar qualquer espaço, uma campanha especial com vendas focadas no site e nas lojas físicas.

E além de inúmeros projetos incríveis que já fizemos nesse mundo todo, tantas histórias que não caberiam em um livro; a gente quer levar a realização e bem estar de uma casa bem decorada que transmite a personalidade e anseios das pessoas, reconhecendo-os como seres humanos que possuem sentidos, prazeres e que buscam satisfação quando decidem transformar um espaço;

É um sentimento de amor e realização, de levar a possibilidade e acessibilidade de decorar para todas as pessoas afim de transmitir em estampas e desenhos sua personalidade, tornando o lar um ambiente que expresse quem realmente somos, isso é um pouquinho da nossa história.
